

Important information, residents of BRF Neptunus 1938: Physical inventory of heating system

QSEC has received an order from BRF Neptunus board to take care of the heating system in the property. The first stage of this process is going to be an inventory of the complete system. To do this we need **access to all apartments and additional spaces.**

We will visit your apartment:

Kanalgränd 2: Måndag 16/3
Västra kanalgatan 9: Måndag 16/3
Västra kanalgatan 11: Tisdag 17/3
Gästgivaregatan 1: Tisdag 17/3
Stores and basement: Onsdag 18/3

Work will visit you sometime between 08:00-16:00 the above dates. The visit will take approx. 10-15minutes. If you can't be home during the above stated date you can leave the key to our personal that is in the entrance 07:45-08:00, (**Västra Kanalgatan 9 the 16/3 and Västra Kanalgatan 11 the 17/3**).

The keys will be returned in your mailbox after the visit.

If access isn't given accordingly, additional cost of 2.000sek per new attempt will be charged.

Tag your keys with name, address and apartment number.

PLEASE:

- Remove furniture in front of radiators approx. 50cm.**
- Keep Security looks unlocked, Don't leave any dogs alone in the apartment.**

Work will be performed by QSEC Sverige AB. Björn Nihlén is responsible for the inventory. You can reach him at bjorn@qsec.se or daytime workdays at 010-452 06 11

Thanks for your cooperation!
